# A NOTE FROM OUR PRESIDENT

## Tom Cancellare

Thank you for the opportunity to serve. This industry drives our economy and continuing to promote it will be our commitment.

Since 1930 the Propeller Club has worked to promote and support the American Merchant Marine and maritime industries across the globe through the collaboration and participation of public relations, education, and goodwill among exporters and importers, and the public in general.

Here in Northeast Florida, PropClubJax invests in our community through charitable contributions to both local maritime-related educational programs and non-profit organizations.

Your financial support as a Corporate Member empowers the Propeller Club, both locally and internationally, to achieve our philanthropic goals as well as the goals to build a stronger maritime community.

Our 2023-2024 Executive Board took the opportunity to refresh this program to better serve our corporate members as they invest in our maritime community. Please take a moment to review the details of our Corporate Membership program enclosed in the pages that follow. We thank you for your consideration and hope to partner with you in the future.
